

# Class Exemption Form

I would like to enroll my child, \_\_\_\_\_, who is \_\_\_\_\_ years old and in \_\_\_\_\_ grade in \_\_\_\_\_ (class title). This class is taught by \_\_\_\_\_ and is listed for students who are \_\_\_\_\_ years old and/or \_\_\_\_\_ grade. I have spoken to the instructor and he/she has given permission for \_\_\_\_\_ to join the class.

I understand the following (please initial):

\_\_\_ This completed form **MUST** be submitted with my registration forms. This form and my registration will be rejected if they are not complete and submitted together.

\_\_\_ My child will be held to the same expectations as the other children in the class.

\_\_\_ My child's participation in the class will be re-evaluated by the parent and teacher **BEFORE** I submit my registration for subsequent trimesters.

\_\_\_ If this class proves to not be a good fit for any reason, my child will be placed in **STUDY HALL** for the remainder of the class, whether it is one trimester or all year.
