

## Group Participation Addendum

As a participating member of the Michiana Christian Co-op I agree that I shall not directly or indirectly entice, solicit, advertise, seek to induce or influence any other member of the Michiana Christian Co-op to become involved in other educational co-ops, public/private school systems, or other educational partnerships.

The Michiana Christian Co-op's mailing list and/or emails are not to be used for mass mailings of personal activities, businesses, events, etc. Members are permitted to personally invite other members to such events, but the members' list and emails are not to be used for these purposes.
