

Syllabus for Preschool Art

We will be making an art book. Each week we will learn something about color such as primary colors, mixing colors, patterns etc. When the class is completed each child will have a book created by them.

Each student will need a small box of crayons, a box of markers (8 markers is fine), scissors and glue and a paint shirt.

The cost of the class is \$5

Week 1

They will create the cover for their art book.

Week 2

We will learn about primary colors and add a picture to the book using primary colors.

Week 3

We will learn about mixing colors

Week 4

We will continue our lesson about mixing colors and add a picture to our book about mixing colors

Week 5

We will learn about patterns

Week 6

We will continue learning about patterns and add a picture to our book about mixing colors.

Week 7

We will learn about warm and cool colors and add a picture to the book using warm and cool colors

Week 8

We will learn about neutral colors and add a picture to the book using neutral colors.

Week 9

We will begin learning about texture (to be continued next semester)
